

KINETIC ENERGY SYSTEMS CORPORATION

ENGINEERED PUMPING SYSTEMS AND CONTROLS
 2280 DIAMOND BLVD, SUITE 160 CONCORD, CA 94520
 TEL: (925) 588-3219 • FAX: (925) 247-0462
 WAREHOUSE - 980 GREG STREET. • SPARKS, NV 89431

Quality Products from Respected Brands

 <p>ANSI, Split Case, Sump, Multi-Stage, Sewage, Booster, Fire, Regenerative Turbine, Condensate, Boiler Feed Pumps, Vertical Turbine, Submersible, Solids Handling Pumps</p>	 <p>Solid Separators and Self-cleaning screens, Disc Filters and other Filtration Solutions.</p>
 <p>Piston, Plunger, Centrifugal, Wastewater, Submersible, Self-Priming, Grinder, Dewatering, Basin Systems, Jet, Booster, Sump, Effluent, Utility, Controls.</p>	 <p>Submersible solids handling pumps, End Suction Centrifugal Pumps, Vertical Turbines, Well Pumps and Mixers.</p>
 <p>Centrifugal, Subturbine, Line Shaft Turbine, Self-Priming, Jet, Well Booster Pumps and accessories</p>	 <p>Engineered pumping systems, stations and controls for water, waste water and storm water applications.</p>
 <p>Heavy Duty Seal-Less Centrifugal Pumps for abrasive and corrosive applications</p>	 <p>Suspended Air Flotation Systems (SAF)</p>
 <p>ANSI/ASME B73.1 Centrifugal Process Pumps</p>	 <p>Progressive Cavity and Peristaltic Hose pumps, Heavy duty Valves</p>
 <p>Heavy- Duty Centrifugal Slurry Pumps</p>	 <p>Eddy current adjustable speed drives, brakes and controls</p>
 <p>Filter Cartridges, high capacity, high flow--Absolute (Beta 5000) and Nominal Efficiencies.</p>	 <p>Control Panels, Variable Frequency Drives, Alarm Systems, Level Monitoring, Control Switches, Floats</p>

*Our pump expertise includes the following services:
 Engineered Pump Systems, Field Servicing and Maintenance, Equipment Repair.*
